All items should be labeled with your child's name. Book bags for Grades K-4 can be brought to Open House

Please send only standard #2 pencils and self-contained pens. ** Please sharpen all pencils if possible before bringing them in.**

If your child will be carrying his lunch, it is a good idea to mark the outside of their lunchbox with his/her name.

Do not send white out or chemically scented permanent markers: These are potential health hazards.

Each student is responsible for his/her own supplies to be brought to class each day. Borrowing is frowned upon.

Check with your child every grading period to see if any item needs replenished.

Please do not send oversized items or boxes of crayons larger than 24 count, the desks simply aren't large enough to accommodate them.

****It would be a good idea to have a change of clothing for ALL ages in your child's locker for emergencies.****
