

Bristol Local School District

Strategic Plan 2016-2017

I. Community Awareness

- A. Coffee with the board to discuss any community concerns**
- B. Consider holding additional board meetings in West Farmington**
- C. Update district website and keep current**
- D. Put counter on the website to gauge number of visitors**
- E. Seek opportunities to make the Warren Tribune aware of school events and happenings**
- F. Utilize Twitter and Facebook**
- G. Produce and disseminate district newsletters**
- H. Continue Grandparent lunches in October for the elementary**

II. Curriculum

- A. Work to implement curriculum calendars at each grade level**
- B. Incorporate Google to collect and share assessment data**
- C. Monitor accumulated data from assessments and provide flexible grouping**
- D. Differentiate instruction and assessments based on students needs**
- E. Implement Response to Intervention (RTI) to help with differentiation process**
- F. Provide staff with the performance levels of their students**
- G. Monitor scheduling and staffing for IEP students**

III. Building and Grounds

- A. Provide a clean and safe learning environment**
- B. Continue purchasing a new bus annually**
- C. Seal parking lots**
- D. Assess roofing and heating/cooling needs**
- E. Install Bolo stick devices when available to improve safety**

IV. School Finance

- A. Have funds available to pay salaries, benefits, and utilities, for approximately (six) months in case of a financial crisis**
- B. Monitor spending in the short term through monthly financial reports and the long term through the five-year forecast**
- C. Prevent deficit spending through sound financial planning**
- D. Consider options to fund potential building maintenance efforts**

V. Technology

- A. Phase in replacement of staff laptops district wide**
- B. Purchase 2 carts of chromebooks in the elementary for AIR testing**
- C. Replace switches in the high school and elementary with newer models**
- D. Investigate the costs associate with purchasing a projector, screen, and sound system for the cafeteria**

VI. Athletic/Extracurricular Programs

- A. Research policies in other districts to determine if allowing students to play two sports during the same season could be reinstated on a limited basis**
- B. Meet with community baseball and soccer organizations annually to improve communications regarding needs**
- C. Utilize more areas for practices in an effort to create less wear and tear on fields for games**
- D. Consider more alumni events such as basketball and/or soccer games**
