

Fall 2021

BRISTOL

LOCAL SCHOOLS...

Your home away from home.

Greetings

from the halls of Bristol High School. We are very excited to start a new school year and hope that things begin to return to normal. I would like to send a big thank you to our Maintenance Staff. They have the building looking great. The rooms and furniture have been cleaned and sanitized and the hallways have that freshly waxed shine. I also want to thank Mr. Ragan for all he has done this summer to organize, inventory and clean all of our technology that was used during our remote sessions last year. One of the positive outcomes of our reaction to the Covid-19 pandemic was an increase in available technology for our students. We will continue to benefit as we return to a sense of normalcy.

We only have one staff change this year at the High School level. I want to welcome Mrs. Stephenie Novicki to our staff. Mrs. Novicki will be teaching 7th and 8th grade English and Language Arts. Mrs. Novicki is a graduate of Bristol High School and most recently worked at Geneva Middle School as a long term substitute. She will also coach our Junior High School volleyball team. We are certainly looking forward to great things from Mrs. Novicki.

I want to wish Mrs. Krotzer luck as she continues her career at Bloomfield Local Schools and thank her for serving Bristol as a long term substitute last year. We wish her well.

We have many great things planned for the upcoming year. We look forward to welcoming back all of our students who chose to engage remotely last year. We hope to be able to resume regular activities including Pep Rallies, our Homecoming dance, school play and the Washington D.C. trip which has been moved to the eighth grade. This year has plenty of promise. We look forward to what lies ahead.

ELEMENTARY NEWS

WELCOME – OUR NEW ELEMENTARY PRINCIPAL

I graduated from Champion High School in 2000. I went on to graduate from Roberts Wesleyan College in 2004 with an undergraduate degree in elementary education and special education. In 2013, I graduated with a Masters of Science in Educational Administration from Youngstown State University. Professionally, I have been teaching for 17 years. I have spent my last 13 years in the Maplewood School District as a special education teacher, as well as a second, third and fourth grade teacher. My wife, Lisa, is a math teacher at TCTC. We have two children. Andrew will be entering fifth grade and Luke will be entering third grade. In my free time, I enjoy golfing, fishing and traveling. I look forward to the upcoming school year and serving the students, parents, staff and community of Bristol.

Yours in education,
Mr. Kish

FROM
6-8 PM

PTO

The Bristol PTO is excited to start the year off with an apparel fundraiser this fall with RS Imprints. The website to place an order is:

<https://bristolpto2021.itemorder.com/>

PTO helps to fund field trips, school assemblies, and events throughout the year. We need volunteers to help make these fun things possible so please join us for our meetings!

PTO Meetings will be held the second Tuesday of each month at 7 pm with the location to be announced. Please email the PTO with any questions at: **bristoleleempto@gmail.com**

Join our Facebook page for more updates and announcements as well!

The teachers at the high school will be working towards implementing PBIS (Positive Behavioral Interventions and Supports) this school year. This is a mindset that turns the script around by providing rewards for positive behaviors as opposed to always concentrating on negatives. This does not mean that negative behaviors will be ignored and consequences for negative behaviors will not occur, it means that we hope to concentrate on what kids are doing right. You will be hearing more about PBIS as the year progresses. We will also be renewing our commitment to make Bristol a top notch educational facility. We know that the Covid-19 pandemic took some of the attention off of academics

and many schools experienced suffering test scores. Our focus will be on making sure our students are prepared for this year's end of course exams.

This is the second year for the Bristol Broadcast and it will definitely be expanding the program. Our broadcast class exceeded expectations last year, but the best is yet to come. We are adding a second Broadcast class and plan to continue to broadcast our school and athletic events. Things are certainly trending in the right direction and we look forward to a new year.

It is a great time to be a Panther!

Educationally,
Mr. Timothy Fairfield
High School Principal

Math/Science

DISTRICT FINANCIAL NEWS

The district will be asking voters in the spring of 2022 to consider an emergency levy renewal for a period of five years to produce the annual amount of \$330,000.

This renewal is not asking for new money.

These funds pay for operating costs of the district.

Visit the school website for updates on school activities and calendar events.
