- 7. My Child's application was approved last year. Do I need to fill out another one? Yes. Your child's application is only good for that school year and for the first few days of this school year. - 13. Who should I include as members of my household? You must include all people living in your household, related or not (such as grandparents, other relatives, or friends) who share income and expenses. You must include yourself and all children who live with you. If you live with other people who are economically independent (for example, people who you do not support, who do not share income with you or your children, and who pay a pro-rated share of expenses), do not include them.
- 14. What if my income is not always the same? List the amount that you normally receive. For example, if you normally make \$1000 each month, but you missed some work last month and only made \$900, put down that you made \$1000 per month. If you normally get overtime, include it, but do not include it if you only work overtime sometimes. If you have lost a job or had your hours or wages reduced, use your current income.
- 15. We are in the military, do we include our housing allowance as income? If you get an off-base housing allowance, it must be included as income. However, if your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income.
- 16. My Spouse is deployed to a combat zone. Is her combat pay counted as income? No, if the combat pay is received in addition to her basic pay because of her deployment and it wasn't received before she was deployed, combat pay is not counted as income. Contact your school for more information.
- 17. My Family needs more help. Are there other programs we might apply for? To find out how to apply for Ohio SNAP or other assistance benefits, contact your local assistance office or call 877-852-0010.

SHARING INFORMATION WITH MEDICAID/Healthy Start, Healthy Families

Dear Parent/Guardian:

If your children get free or reduced price school meals, they <u>may</u> also be able to get free or low-cost health insurance through Medicaid or the State of Ohio Healthy Start, Healthy Families Program. Children with health insurance are more likely to get regular health care and are less likely to miss school because of sickness.

Because health insurance is so important to children's well-being, the law allows us to tell Medicaid and Healthy Start, Healthy Families that your children are eligible for free or reduced price meals, unless you tell us not to. Medicaid and Healthy Start, Healthy Families only use the information to identify children who may be eligible for their programs. Program officials may contact you to offer to enroll your children. Filling out the Free and Reduced Price School Meals Application does not automatically enroll your children in health insurance.

If you do not want us to share your information with Medicaid or *Healthy Start, Healthy Families*, fill out the form below and send in (Sending in this form will not change whether your children get free or reduced price meals).
