

The Great Escape!

Grades 4-6 Assignment #3

Greetings artists! I don't know about you, but I'm feeling a little stir crazy so how about we strike out on an adventure? As with all great adventures we have to make a plan...what type of transportation are we going to use? Here is the deal, if you could, what would be your ideal form of travel? Maybe you would get about town on dragon...or maybe a carriage pulled by lions...a rocket ship perhaps? A UFO? Flying car? Goodness it could be anything! Here is what I want you to do... grab a piece of paper and a pencil and draw what your dream form of transportation would be. I want you to think about the details...please do not just draw me a boring rocket ship... for example, does it have decals, windows, wings, attachments, tools? Then, think about the environment...where is your ride parked? Once you are happy with the drawing, please use crayon, colored pencil, markers, paint, or whatever type of coloring material you have to bring your creation to life!

This art lesson was designed to help reinforce the following art standard: 3PR Generate ideas and employ a variety of strategies to solve visual problems
