January 2026 Bullying Report

State law requires Bristol Elementary School to submit a semiannual report regarding bullying incidents. Although the elementary school had several incidents in which students had disagreements and may have initially used the term bullying to describe the incidents, the definition of bullying is a continued or persistent behavior. All of these incidents were addressed in accordance with the student handbook but did not constitute bullying because they were single incidents rather than a continued, persistent pattern of misbehavior.

Maintaining a safe, positive learning environment is a priority for us at Bristol Elementary School. We have worked to implement and improve our Panther Pride program to ensure that all children are educated in a safe environment free from harassment and bullying.

Please contact me at your convenience if you have any questions regarding this report.

Thank you,
