

On May 12, U.S. Secretary of Agriculture Sonny Purdue announced that Ohio was approved to operate Pandemic Electronic Benefit Transfer (P-EBT). Administered by the Ohio Department of Job and Family Services, the P-EBT program provides additional monetary assistance to households with children eligible for free or reduced-price meals as a result of the ordered school-building closure.

Here are Ohio's P-EBT flyers for households of children eligible for free or reduced-price meals. Available in [English](#), [Spanish](#) and [Somali](#) translations, the flyer provides information about the program and benefits to eligible families and students. Please share with families the following information along with the flyer. If the child is a Supplemental Nutrition Assistance Program (SNAP) recipient, the P-EBT benefits may have been added to the account on which the child is active. If the child was unable to be matched to his or her active SNAP account or is not a SNAP recipient, the households will receive a preloaded P-EBT card in the mail by mid-June.

If you have questions, contact the Office of Integrated Student Supports by phone at 614-466-2945 or 1-800-808-6325 or email at child.nutrition@education.ohio.gov.
